

New timetable in 2019

What's the same?

- Starting and finishing times
- Recess and lunch break times
- The inclusion of a Pastoral Care lesson each week
- The range of arts, technology and other electives offered to students
- Year 7 and 8 students will study Japanese, as per federal government requirements

What's different?

- All students will study a full year of the five core subjects; English, mathematics, science, humanities & social sciences and health & physical education – this is so we are compliant with the Australian Curriculum.
- Some lesson lengths will be different with a mixture of 40, 60 and 80-minute lesson lengths
- A 1 hour per week 'Enrichment' class will be introduced
- Japanese will be studied throughout the whole year for year 7 and 8 students
