Welcome,

My name is Mark Rasmussen and I will be the Pastoral Care Advisor (PCA) for the year 7 cohort beginning in 2021. My Role as PCA is to facilitate the smooth transition of students from a primary to a secondary school setting, and then remaining with the cohort as their PCA throughout the rest of their high school journey.

Moving into a high school environment can be an anxious time for students and parents alike, and it is part of my role as PCA to answer any questions that you or your child have regarding their education and wellbeing here at Lanyon High School. It is also my duty to liaise and coordinate with your child's educators as required to ensure that their needs are being met. Providing individualised care, whilst meeting the requirements of current National and Territory education mandates, and the ethos of Lanyon High School presents both challenge and opportunity. I look forward to sharing the journey that lies ahead.

Yours in education,

Mark Rasmussen
